## *Pre-Packaged Meals*

“Ideal for when you just need to eat and work or celebrate with simplicity.”

---

These menus are specifically designed and priced for groups that just need to grab a meal and eat, or, to maintain social distancing due to Covid-19. Generously portioned meals are delivered individually portioned a little while before you tell us you would like to eat. Hot food is in a microwavable food tray with cold food being delivered in a foam or plastic container.

A heavy-duty meal kit that includes a knife, fork, spoon, napkin, and salt and pepper is included. Also included are rolls and margarine or the type of bun needed if a sandwich is chosen.
